

Wychbury Medical Group – New GP Posts 5 – 8 Sessions

"An outstanding training practice" of University of Birmingham, situated within easy reach of open countryside, Birmingham City Centre, motorway networks and excellent schools.

We are expanding our practice team and have vacancies for GPs (5 – 8 Sessions) Flexible start date for the right candidates and possibility of future Partnership.

About us;

- 21,500 patients urban/suburban
- 13 GPs interests include
 - Education (Undergraduates, FY's and GP trainees)
 - Clinical urogynae clinics, drug abuse, minor surgery, RCGP Research Ready, CCG Chair and appraisers
- 4 ANPs – covering acute illnesses, contraceptive services, LTC and advanced care planning
- 6 Practice Nurses – treatment room services, specialities in LTC and care planning. Involvement in student nurse training and associate nurse training
- 2 HCAs – treatment room services, support to clinicians delivering specialities in LTC

We are open to new ideas to improve patient care and the wellbeing of all our staff

Over the last 3 years we have developed and expanded our administrative team to reduce the administrative workload for the clinical team, for example the innovative "letter reader" posts, and practice pharmacists providing support to prescription clerks.

What we offer:

- Support of a mentor when you join the practice
- Salary competitive dependant on skills and experience
- Medical indemnity cover reimbursed
- 6 weeks holiday
- 1 week study leave
- Opportunity to develop clinical, teaching and non-clinical interests, and for career progression within the Practice as you contribute to its development

Wychbury has close links to Dudley CCG as they develop new models of care within its Vanguard Status and works closely with other Practices to deliver improved local patient services.
