

Patient Transport Service Eligibility Criteria

1. Do you have a disability or condition that would make it difficult to travel by alternative transport?
E.g. wheelchair?
Do you need to travel lying down due to a medical need?
Do you require oxygen or other medical gases while you travel?
Do you require intravenous support while you travel?
Do you have a physical dependency, learning or mental health problem?
Yes/No
2. Do you require skilled assistance or a support aid to transfer to and from a vehicle? Yes/No
3. Do you have a condition that could lead to an episode during transport that requires skilled assistance? Yes/No
4. Do you have a condition that would compromise your dignity, or cause public concern, if you used alternative transport? Yes/No
5. Do you experience side effects as a result of treatment that would prevent the use of alternative transport? Yes/No

If you can answer 'yes' to at least one of the above criteria you will qualify for transport, unless you are receiving payments from Personal Independence Payment (PIP) scheme, Mobility component or equivalent.

Friends/relatives are welcome to meet the patient at their destination point.

Escorts will only be conveyed if: - There is a medical need i.e. physical dependency, communication, learning or mental health problem.

The patient is under 16 years of age.

The patient resides in a residential care establishment due to a medical condition.

Please note – all escorts must be fit and well, and not require assistance.
