

This event is being organised by the Wychbury Patients Participation Group (PPG).  
 The PPG meet approximately every three to four months and discuss items of common interest that affect patients. We can help you with your queries, problems, or complaints, and offer advice on practice services. By using email our virtual group allows you to become involved with PPG activities without attending meetings.

If you would like to join the PPG, the virtual group, receive PPG emails or learn more about patient activities and involvement please:- add your contact details below and hand the completed form to reception, or simply email the PPG at: [wychburypg@yahoo.co.uk](mailto:wychburypg@yahoo.co.uk)

**Note:** virtual group membership requires an email address for us to send information to you.
