

Wychbury Medical Group's friends and family results for May 2026

As a practice we find it important to gain feedback from our service users.

After every appointment we send out a text message asking our patient's for feedback on our service, they are then directed to complete our online Friends and Family questionnaire.

Out of 635 responses in May, our findings have been:

96% rated us good or very good

1% rated us neither or didn't know

3% rated us poor or very poor

Some of the feedback received:

“Appointment on time. All staff friendly & polite. Dealt with concerns professionally”

“Receptionists pleasant, seen promptly by GP & satisfied with outcome.”

“Parking at the practice is poor”

We are always grateful for feedback, especially positive, and would like to thank those who completed our questionnaire and encourage people to continue to help us improve our service.
